

David Solinger is now a AAA Neutral

Dear Colleague:

As the New Year freshly opens I extend to you my heartfelt wishes for a year filled with richness and joy in all aspects of your life.

I am pleased to inform you that I am now a national roster member as both an Arbitrator and Mediator at the American Arbitration Association. In addition to serving my private clients both in law and in dispute resolution I will continue to both arbitrate and mediate cases privately. As a roster member at AAA, I am excited to be part of one of the oldest and largest dispute resolution entities in the United States.

AAA arbitrators and mediators are highly trained to understand arbitration rules, business, and dispute resolution.

The AAA's National Roster of Neutral Arbitrators and Mediators consist of highly accomplished and respected experts from the legal and business communities who offer diverse experiences across a wide range of fields. Former federal and state judges, attorneys with exceptional subject-matter expertise, and business owners who understand the essence of the dispute are trained in a comprehensive program by the AAA to manage the dispute resolution process with fairness and skill, and an eye towards time- and cost-efficiency. Neutrals are bound by AAA established standards of behavior and ethics to be fair and unbiased.

My subject matter and ADR expertise include the following:

Environmental Law and related Insurance issues including Multiparty Mass Toxic Torts, Clean Water Act, CERCLA, Contribution and Indemnity, regulatory and allocation ; Complex Civil and Commercial litigation; Personal Injury/Property Damage including multiparty catastrophic injury cases, uninsured and underinsured matters; Real Property; Construction Defects; Business/Contractual/Commercial; Insurance coverage and bad faith matters.
